PFC Supports PBS Character Breakfast

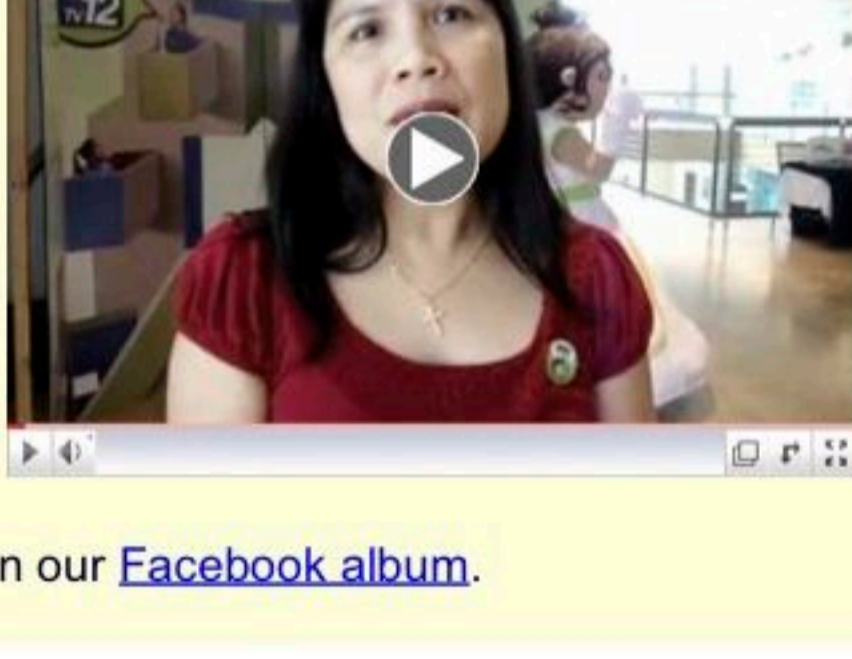

Clifford the Big Red Dog and the entire cast of SUPER WHY! were the super stars of PBS Guam's Summer Lovin' Character Breakfast Event, and they did a great job creating a fun-filled atmosphere for the entire family! Families gathered at the SeaGrill on June 25th to interact with the fun PBS Kids characters as well as to dine on a delicious breakfast buffet.

The fundraising event to benefit PBS Guam also boasted a variety of activities and games for kids. Each ticket came with a complimentary day pass to UnderWater World, making the event fun,

delicious *and* educational! Below, Cathy Gogue, PBS Guam general manager, talks about the event.

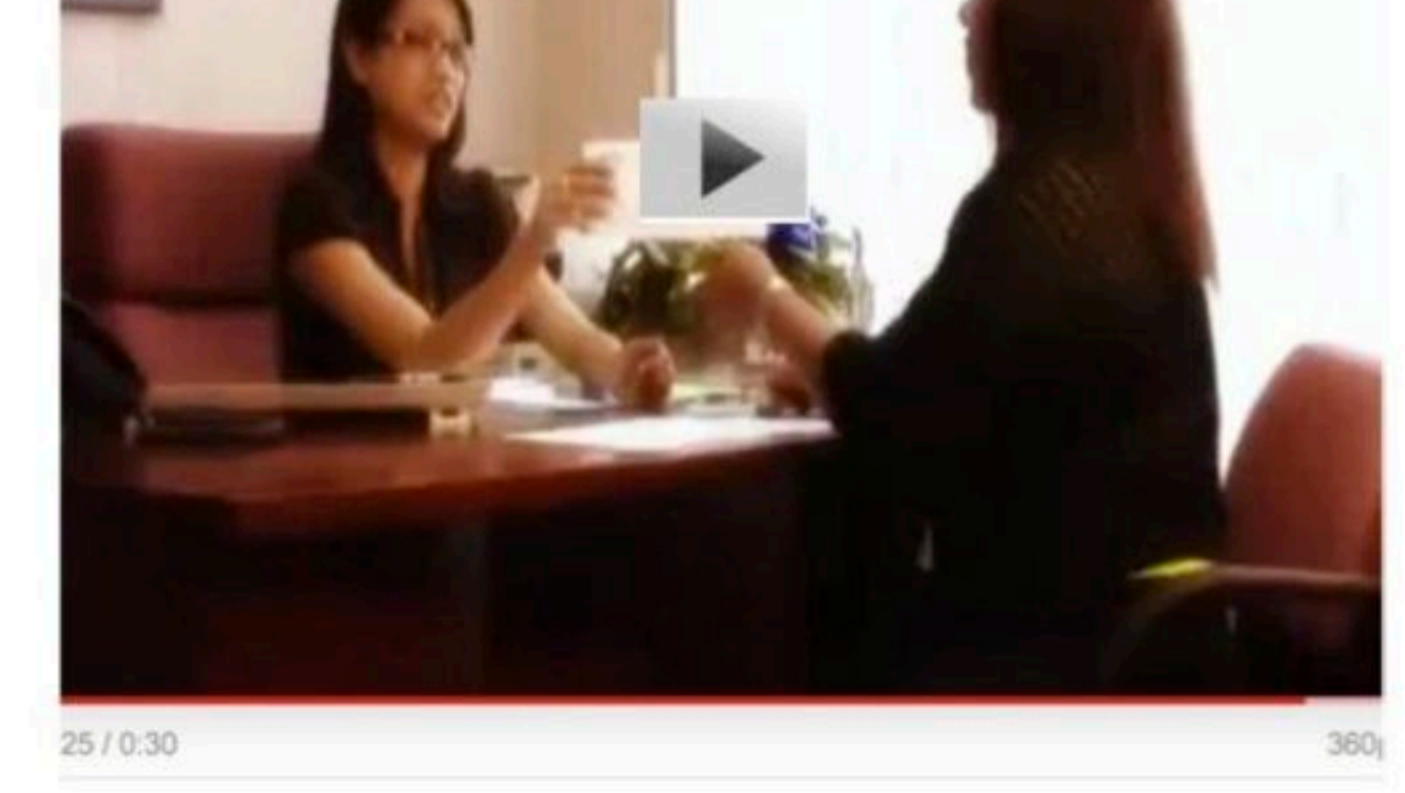

PFC was proud to sponsor such a great, family-friendly event. The PFC staff who brought their children to the event remarked that it was a great Saturday, one that they'll be sure to repeat next year.

Have a look at some of the great costumes and activities from the event on our [Facebook album](#).

Better Service, A Heart for Lending

Rose Duenas- Vice President, Loan Manager

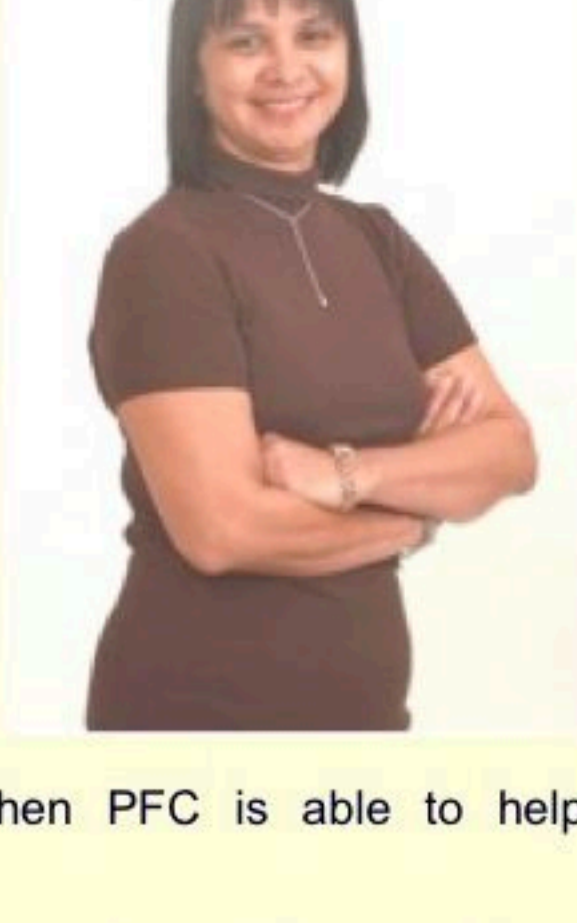

Rose has been with Personal Finance Center for twenty-five years. Over the years, Rose has held several management positions in her career--Branch Manager, Collections Manager, and spent most years as a Loan Manager.

She always had a heart for lending, as it allows her the most opportunity in making a difference in our customers' lives. Rose enjoys creating, developing and promoting new products to better service PFC customers. "As a locally-owned company, decisions are made right here, giving your customer expedient service."

Customers are very appreciative when PFC is able to help, especially in tough situations.

One of her most memorable experiences, she recalls, was helping a postal worker with his personal finances when other lenders could not.

"PFC was there for him." One day, she walked into the post office and he was there to recognize her. From then on, with each visit to his office, he is sure to announce, "There is PFC, my favorite lender." His gratitude makes Rose very proud to work for a company that is driven to serve its customers.
